

LEARN HOW TO AVOID PITFALLS, OVERCOME CHALLENGES & MAXIMIZE OPPORTUNITIES IN YOUR **HOME-BASED BUSINESS**

Each session led by subject matter experts covering what you need to know to avoid the pitfalls of a home-based business.

- Home-based business liability exposure.
- What you think your homeowner's policy covers, but doesn't.
- What you need to know if you are a tenant in the home.
- Which business structure is really the right choice for you.
- Home Office & non-reimbursed business expense deductions.
- How to give your home business a big box marketing impact.
- Balancing business and family in the same space.
- What to do when you need a meeting space.

And, so much more!

Attendees will leave with tools, tactics and templates that can be implemented immediately in their home-based business, and will serve as valuable resources for preventing pitfalls for many years to come.
